Dear Superior Neighbor,

It is that time of year again! East End Family Fun Days (EEFFD) will be held on Saturday, September 18th, 2021 -- the best time of year if you ask the Committee of East End Family Fun Days! We would like to start with a thank you to everyone for their support last year and previous years. Our new directors are working hard to cultivate a new path for growth to the East End Family Fun Days experience, we are very optimistic about our future. If you attended last year's event, you may have noticed some of the changes last year. For example, EEFFD doubled the number of vendors than any prior year of the event's history! The new children's carnival was a hit with our young ones, the new slime table may have been the children's all-time favorite!

Another piece of exciting news is the addition of our website eastendfamilyfundays.com coming soon! This new website will enable all vendors and supporters access to all information including printable registration forms and the most up-to-date information on events and sale listings for the EEFFD rummage sale map and much more!

Did you know that East End Family Fun Days Inc. is now an official 501(c)(3) Non-Profit Charity organization? That enables our community partners' donations to be tax deductible for the individual or organization that make the contribution. East End Family Fun Days could not exist without the support of our community partners. Every dollar donated by our sponsors and event-goers is put back into the event or given directly back to the community.

As a community, we will continue to build and grow the tradition of Superior's oldest family-oriented community event East End Family Fun Days. Together, with the help of our supporters and community sponsors, we will continue to build Superior into the best family friendly city in the state!

If you have any questions email us at eastendfamilyfundays@gmail.com or by simply going to our Facebook Page @eastendfamilyfunday to send us a message. Adam or Lindsey will be in contact with you to answer any questions.

We look forward to showing you what is to come with one of Superior's longest running traditions! Thank you for your time and consideration, let's get ready for East End Family Fun Days together.
